Dear Bill:

We have received an Official Action in the above case and enclosed is a photoprint copy of the same.

You will note that the rejection is for the most part formal and that the Examiner requires that we submit copies of Official Actions from other examining countries where corresponding applications have been filed.

Response should be filed not later than August 10, 1974 and accordingly, we would like to have your instructions by May 1, 1974 at the latest.

Very truly yours,

George J. Brandt, Jr.
